ARIZ AHMED

ARIZ.AHMED@WELLARD.NET.AU | 22ND JULY 2006 | WELLARD

OBJECTIVE

I am a dependable high school student, with a passion to work with others. I am a confident leader and I would like to learn new skills.

SKILLS & STRENGTHS

- Microsoft Office
- Software and Hardware Troubleshooting
- Repairing and Building PCs/Macs
- Communication and Public Speaking
- Scripting in Python
- Davinci Resolve/Video Editing
- Basic Web Development
- Problem Solving
- Mathematics
- Writing
- Managing Linux Machines
- Managing networks
- Managing libraries of hardware

EDUCATION

COTTESLOE PRIMARY SCHOOL • KINDERGARTEN – YEAR 6

I was the Head Boy in Primary School, graduating with the Dux award. I participated in the PEAC program, spoke in the State Parliament. I ran a program to teach people Python 3, HTML, CSS and JavaScript.

PERTH MODERN SCHOOL • YEAR 7 - CURRENT

I have participated in debating, competed in all 3 rounds of the World Scholar's Cup (an international competition that involves writing, debating, general knowledge and teamwork). I enjoy Economics and Computer Science. I also enjoy working with electronics and people, and often participate in cyber-security competitions.

EXPERIENCE

VOLUNTEER – TECHNICAL CONSULTANT • CITY OF KWINANA/CONNECT WELLARD • OCT 2019 – CURRENT (1000+ HOURS)

Responsibilities include:

- Setting up networks and hardware
- Troubleshooting/Repairing hardware
- Helping others get online and use their hardware
- Communicating with others about events (planning, feedback)
- Help run events ('Let's Play' (weekly gaming), 'Checkpoint LAN' (monthly LAN party), 'Level Up!' (Help seniors get online))
- Managing people, and keeping telemetry on growth (measuring impact), creating and designing processes to aid this
- Repairing and managing Apple and other devices
- Helped setup and run a green-screen based photo booth in the Halloween event (2021)
- Help with minor administrative/customer support tasks at JWCC
- Assist any patrons of JWCC with their concerns to the best of my ability
